WEDDING ALBUMS

Contemporary Wedding Albums

MAGAZINE STYLE ALBUM

A favourite format for wedding albums is the Coffee-table or Magazine style album first introduced into the UK from Italy by Graphistudio. Often imitated but never bettered, this style of album adds a second level of creativity to my photographs of your wedding.

Prices vary according to size and content but a 14"x10", 35-page book with 70 stunning layouts of photos will cost **£895**.

A 16"x12" book with similar content will cost **£995**.

Parent and guest albums are exact copies of the full size albums reduced to a smaller, more convenient size.

A4 Parent albums cost £195 (£125 per additional copy)

A5 Parent albums cost £195 for two books.

Small memento books cost £150 for four hard-back copies or eight soft-back copies.

SLIMLINE ALBUM

An alternative to the Graphistudio album consisting of up to 60 pages 13"x10" including approximately 100 photographs. Whilst offering more restricted layout options compared to the Graphistudio album, it is still a truly delightful album.

£295 1st copy

£150 subsequent copies
